

MEMORANDUM

To: Parties to PSB Docket No. 7466

From: Susan M. Hudson, Clerk of the Board

Re: Change to Schedule – Prefiled Rebuttal Testimony Now Due July 31, 2009

Date: July 2, 2009

On June 30, 2009, Conservation Law Foundation ("CLF") filed a request for a three-week extension of time, until July 31, 2009, for all parties to file prefiled rebuttal testimony in the above-referenced proceeding. CLF requested the extension because it has a number of other filing deadlines in the next few weeks, and its attorney plans to be away for a few days in July. CLF's filing states that granting the request will not interfere with any party's ability to prepare for the technical hearings in this proceeding, which are scheduled for September.

CLF's filing states that its request is consented to by: the Group of Municipal Electric Utilities; City of Burlington Electric Department; Central Vermont Public Service Corporation; the Vermont Department of Public Service; International Business Machines Corporation; Vermont Energy Investment Corporation; Vermont Electric Power Company, Inc.; Washington Electric Cooperative, Inc.; Green Mountain Power Corporation; and Edward V. Schwiebert, Esq. (who represents the Vermont Marble Power Division of OMYA in this proceeding).

The Associated Industries of Vermont ("AIV"), the only other party to this proceeding, subsequently informed the Clerk of the Board in a telephone call that it too consents to CLF's request.

The Public Service Board ("Board") has asked me to inform you that it has granted CLF's request for an extension of time; the deadline for filing prefiled rebuttal testimony in this proceeding shall be July 31, 2009. A key consideration for the Board was the fact that the requested extension would not alter the scheduled hearing dates or delay the resolution of this proceeding.
